Reminder: Lender & Realtor Homeownership Programs Virtual Roundtable

We would like to invite you to take part in a virtual roundtable discussion with lenders and real estate agents to provide us feedback on how we can make our programs even better. What's working? What needs improvement? Many of you identified needs and opportunities in last spring's lender and realtor surveys and in this session we'd like to dig deeper as we develop solutions and program adjustments. Discussion topics will include:

- Program Design:
 - How can we help more families, particularly low-income and Black, Indigenous, and People of Color?
 - Downpayment and closing cost loans
- Discuss how sellers and agents view offers by Minnesota Housing borrowers
 - Concept discussion of creating a letter that real estate agents could provide to sellers outlining Minnesota Housing's program. A draft will be provided to all registered attendees before the meeting.
 - Tips and best practices

Please join us on **Thursday, September 23 from 9:00 - 10:30 a.m.** for this opportunity to share your thoughts. [Click here to register.](#)

Intermittent Closed Loan Package Upload Issues

Minnesota Housing's loan commitment system is experiencing intermittent issues when trying to upload a closed loan package. We are continuing to work with our vendor to resolve this issue. We apologize for any inconvenience this may be causing.

If you are experiencing upload issues:

1. Try clearing your Silverlight cache.
2. If you continue to have problems uploading the closed loan file, it is acceptable to not upload the closed loan package at this time. Please **make sure you are still completing the True & Certify process** in the system before the interest rate expires.
